

Pet Pangaea LLC values your time and is always eager to find the best products out there for our customers. All vendors and sales representatives wishing to visit us must speak with either the owner or manager. We are a busy store that is focused on customer service and, if you stop by, the owner or manager may not be available to speak with you. For these reasons, we see vendors or sales representatives by **appointment only**.

[Please contact us for an appointment](#) .

We would hate to have you make the trip to Los Alamos without being able to speak with anyone.
