Pet Pangaea left the 158 Central Park Square storefront location permanently at 6 pm on Feb. 27th and our 6-day Stock Up Sale ended. Thank you to everyone who stocked up on those last days of business there!

And here's the sweet: A new, exciting chapter for Pet Pangaea is around the corner! Our plans are still TOP SECRET, but we'll let you know what's happening as it unfolds. Make sure you are on our email list and follow Pet Pangaea on Facebook and Instagram for updates!

While you're waiting for the next TOP SECRET chapter of Pet Pangaea, we will still…

- Continue the Downtown Dogs weekly dog walking group. The group meets at Ashley Pond near the stage at 10:30 am on Saturdays
for a walk around downtown Los Alamos. Please remember to bring bags to pick up after your pooch and have your dog on a regular leash, no longer than 6 feet.

- Provide LIVE food. Don't want to drive a million miles for crickets or worms for your reptile? Or for frozen mice or rats for your snake? We don't want you to have to do that, either. You will still be able to purchase crickets, worms, and frozen mice and rats from us. Stop by our offices at the Los Alamos Small Business Center located at 190 Central Park Square, Suite 121. You will find us there Tuesday-Friday from 10 am to 6 pm. Shop on Wednesday and Thursday for the freshest crickets and worms.

- Join us for super fun Facebook Live events! Toy & Treat Tuesdays and Favorites Fridays are coming! We have a new app coming, too.

Please sign up for our email list (box on the left) to receive our latest updates.

Thank you for the great honor of serving you and your pets for nearly 20 years at 158 Central Park Square.
